COMMENTS: David Clark is the Agent for this application.

Mayor Hallman asked that this item be removed for separate consideration because he has received a number of noise complaints concerning this establishment. He asked whether staff has investigated this as part of their review of the liquor license.

Bruce Smith, License/Collection Supervisor, stated that no complaints had been received regarding this application.

Mayor Hallman asked for an explanation of the recourse if an establishment causes noise into the surrounding neighborhood.

Mr. Smith responded that the first step would be to file a complaint with the Police Department for investigation. Subsequent issues could be the denial or removal of the use permit that was given for live entertainment.

Mayor Hallman clarified that this item concerns a liquor license which can't be conditioned upon noise.

Andrew Ching, City Attorney, agreed to the extent this is a recommendation on the merits of the liquor portion of the license and not the use permit itself.

Mayor Hallman asked for the standards for review of a liquor license application.

Mr. Ching responded that most are laid out in the Code. Some speak generally to whether it is in the best interests of the City, as well as past history of the address, past history of the applicant, any violations in the past, as well as any protest within the radius defined by the State Statute, which is 300 ft.

Mayor Hallman asked whether the Police Department has gone out to measure noise level.

Mr. Smith responded that he was unaware of that.

Lisa Collins, Deputy Development Services Manager, added that the Police Department has investigated noise complaints, and the Development Services Code Enforcement Division also accompanied them on several occasions. She believed their consensus was that there was no significant noise complaint.

Mayor Hallman clarified that the resident who complains that the bass noise emanating from the facility has no recourse.

Ms. Collins added that the hearing officer approved a use permit which was appealed to the Development Review Commission (DRC), and the DRC upheld the use permit. It was not appealed to the City Council but if there were further complaints that rose to that level, a revocation proceeding could go forward.

Mayor Hallman asked when the use permit might come up for reconsideration.

Ms. Collins stated that there was no time limitation on the use permit.

Motion by Councilmember Arredondo to approve Item #45. Second by Councilmember Woods. Motion passed on a roll call vote, 5-2, with Mayor Hallman and Councilmember Shekerjian voting no.

Mayor Hallman asked to combine Items #50, #61, #74 and #91. Given the earlier conversation at the Issue Review Session, this Council is focused on the need to prioritize expenditures. He hoped that staff understands that Council is looking to make sure the budget stays tight and, although he isn't prepared to single out any of these purchases, he hoped staff recognizes that this would be the time to do without unnecessary items. The City has a "boneyard", a storage facility where secondary furniture is stored, for example, and he would hope every opportunity is taken to reuse items as best we can and cut down on any expenditures that are not currently needed.

Councilmember Arredondo asked for verification that the City Manager will take this seriously.

Charlie Meyer responded that staff understands the priorities. Most of these four contracts are not one-time purchases, but are purchases that will be made over time, with the exception of Item #74. Staff can see which items are necessary and may be able to pull back on some.

Motion by Councilmember Arredondo to approve items #50, #61, #74, and #91. Second by Councilmember Navarro. Motion passed on a roll call vote, 7-0.

D. Ordinances and Items for Second Hearing/Final Adoption

- *102. Held the **second public hearing** and **approved with conditions** an amendment to a Planned Area Development Overlay for LOT 2 OF PLAYA SIX located at 985 East Playa Del Norte Drive.

COMMENTS: (PL070393) (Michael O'Connor, Irgens Development Partners, L.L.C., property owner; Manjula Vaz, Gammage & Burnham P.L.C., applicant) for a ten story building consisting of five stories of offices above a five level parking garage, approximately 106,030 s.f. of office and approximately 122,970 s.f. of garage, on approximately 1.76 net acres, located at 985 East Playa Del Norte Drive in the MU-4 (PAD), Mixed-Use High Density District with a Planned Area Development Overlay and within the Rio Salado Overlay District. The request includes the following:

PAD08004 – (Ordinance No. 2008.20) Amended Planned Area Development Overlay to modify the development standards to allow for a building height increase from 75'-0" to 129'-0", allow a front-yard building setback of 113'-0", a side-yard building setback of 0'-0", a rear-yard building setback of 0'-0", site landscape coverage of thirteen (13) percent and building lot coverage of thirty-eight (38) percent.

The following conditions were also approved:

General

1. A building permit shall be obtained on or before July 22, 2010, or the property may revert to the previous zoning designation, subject to a formal public hearing.
2. The property owner(s) shall sign a Waiver of Rights and Remedies pursuant to A.R.S. §12-1134 that may now or in the future exist, releasing the City from any potential claims under Arizona's Private Property Rights Protection Act, which shall be submitted to the Development Services Department no later than August 21, 2008, thirty calendar days after the date of approval, or the Planned Area Development Overlay approval shall be null and void.
3. The Amended Planned Area Development Overlay for Lot 2 of Playa Six shall be put into proper engineered format with appropriate signature blanks and kept on file with the city of Tempe's Development Services Department prior to issuance of building permits.
4. Maximum height of the office building, as measured from the top of curb adjacent to the center of the front yard of the site, to the highest portion of the roof or parapet of the office building shall not exceed 129'-0".
5. The increased height exception stipulated in ZDC Sec. 4-205(A) shall be waived for the office building.
6. The maximum front yard setback shall be no less than 113'-0".
7. The maximum side and rear setback shall be no less than 0'-0".
8. The maximum building lot coverage shall be no more than thirty-eight (38) percent of net site area.
9. The minimum landscape lot coverage shall be no less than thirteen (13) percent of net site area.
10. Where a temporary site structure that exceeds the height of the building is utilized, such as a construction crane, submit height coordinate(s) for the structure to the Federal Aviation Administration and the City of Phoenix Aviation Department for review and obtain written approvals from each agency prior to issuance of a building permit.
11. The parking setback shall be maintained at 7'-0" in deference to the standard established in the previous P.A.D. and elsewhere in the Playa Del Norte development.
12. Landscape development standards within this Mixed-Use District shall conform to ZDC Sec. 4-701 through 4-706 with exceptions as follows:
 - a. Canopy trees at parking landscape islands within easements are not required.

- b. Surface parking lot screen wall is waived.
- 13. Security light development standards within this Mixed-Use District shall conform to ZDC Sec. 4-801 through 4-805.
- 14. The developer shall receive approval of the final Traffic Impact Study from the Traffic Engineer, which includes traffic impact for an office use of 106,030 s.f. on this site, prior to issuance of a building permit.

6. **PUBLIC APPEARANCES** – None.

7. **CURRENT EVENTS/COUNCIL ANNOUNCEMENTS/FUTURE AGENDA ITEMS**

- Councilmember Woods stated that if this new council can get through a 120-item agenda this quickly, this is a very efficient group.
- Councilmember Arredondo congratulated the Water Utilities Department for the fine job they did on Alameda, as well as Palmcroft. With their quick response, along with the Police, a very sad situation was averted. We have A-team people working. He also congratulated Mark Richwine for his tough decision to close the Splash Playground and have it checked. We are concerned about public safety.
- Councilmember Shekerjian stated that over the last few weeks, she had the opportunity to meet with representatives of the National Association on Mental Illness (NAMI) which will sponsor a 5K walk in

Tempe on March 29th to raise awareness for mental illness. She thanked Michele Konnath and Jonni Wolfe of the Parks and Recreation Department because she got very positive feedback from the NAMI representatives that they have worked with many communities in Arizona and that it was a delight to work with Tempe staff.

- Councilmember Navarro thanked staff for their knowledge and stated that he looks forward to learning.
- Mayor Hallman added his thanks to Mark Richwine and his staff for checking into the public safety issues with swimming pools and playground operation. Immediately upon learning that the City of Phoenix had difficulty with various swimming pools, Mr. Richwine's staff began testing water to see whether or not Tempe had issues. The pools were actually in perfect condition, but it was the Splash Playground that had to be shut down and staff immediately addressed it. Other cities did not take that proactive approach. We have the same kind of staff on the finance side working to solve our budgetary issues immediately, upfront and proactively. Also, this City experienced a torrential downpour of rain recently and most residents didn't realize how much water there was. Through tracking of the various rainfall indicators across the Valley, Tempe was a hard hit area with about 3.25 inches of rain. That is unprecedented and the Public Works, Water/Wastewater, Storm Sewer staff, as well as public safety personnel, responded immediately and addressed problems due to instances of flooding. There were a number of councilmembers who immediately started investigating on their own. Councilmember Arredondo, for example, went to the site of a water line break and worked to assist the neighbors and staff. That's the kind of responsiveness we see in this staff and Council. He also congratulated Councilmembers Woods and Navarro on their first meeting.

Meeting adjourned at 8:20 p.m.

I, Jan Hort, the duly-appointed City Clerk of the City of Tempe, Maricopa County, Arizona, do hereby certify the above to be the minutes of the Formal City Council meeting of July 22, 2008, by the Tempe City Council, Tempe, Arizona.

Hugh Hallman, Mayor

ATTEST:

Jan Hort, City Clerk

Dated this _____ day of _____, 2008.
